## School News

East Catholic is in the process of updating the technology in the school. This is a very expensive undertaking. Many thanks to Father Al Semler and Good Shepherd Parish who gave \$10,000 from their Church Alive funds to East Catholic for this project. One of our parents had this to say: “As a parent of one current student and one former student at East Catholic School, I would like to offer my heartfelt thanks for Good Shepherd Parish's tremendous gift towards our technology improvements. What an incredible testimony to the value of Catholic education! I wish to thank the individual members of the Pastoral and Finance Councils, and Father Al, for their incredible generosity and practical support of our school!”

**TREASURES FROM OUR TRADITION:** The custom of genuflection is not found everywhere in the Catholic Church. In fact, it is a bit of breach of etiquette to genuflect in most Eastern Catholic Churches. If you're visiting an Eastern Catholic or an Orthodox church, the “when in Rome” rule should be adopted. Watch what the home team is doing! The rule is to make a profound bow, called a “metasis,” toward the altar - bowing deeply while making the sign of the cross.

East and West split years before we Westerners began to reserve the Blessed Sacrament prominently in our churches. Increasingly, as tabernacles became more widespread in the West and moved into prominent placement within churches, we replaced the bow toward the altar with a genuflection toward the Blessed Sacrament when its place of reservation is visible.

In a church where the Blessed Sacrament is reserved in a special chapel or off the main axis of the building, normally you should bow toward the altar when you enter your pew, because the Eucharistic table is the principal sign of Christ's presence in the church building. If you have ever participated in the liturgy of Dedication of a Church and Altar, there is no mistaking the altar's significance: it is first slathered with chrism and then adorned with a brazier billowing clouds of incense that fill the whole church as a sign of prayer and presence!

**PEOPLE OF HOPE:** Throughout this Easter season the readings have drawn us into the experience of the early church. We have tasted the excitement and zeal of the first Christians. Now, with them, we listen to the words of Saint Peter, who reminds us that when people notice that we are people of hope, we should be ready to explain why. This challenges us. Do others even notice that we are people of hope? In a world often marked by cynicism and hopelessness, do we stand out as people who offer hope and reassurance to others? In today's Gospel Jesus promises that when he leaves the earth he will not leave us orphaned. Today he promises to send his Advocate, the Spirit of truth who will be with us always. Let us acknowledge the presence of the Holy Spirit and ask the Spirit to make us people of hope.

## ***MESSAGES FROM FR. KEN***

### IMPORTANT DEFINITIONS FOR UNDERSTANDING THE ON MISSION PROCESS.

**CHURCH:** The Body of Christ spreading the good news of God's love, mercy and forgiveness in the Diocese of Pittsburgh. (Remember, when speaking with the vocabulary of *On Mission for the Church Alive!*, **it is impossible for the Church to close.**)

**PARISH:** A local (as a general rule territorial) Catholic community where people join together to worship, be educated in the faith, receive the sacraments and serve those in need.

**CAMPUS:** All the buildings located on the property of a specific site.

**REGIONAL CATHOLIC SCHOOL:** A Catholic elementary school that is the ministry of several parishes.

Please check the *On Mission for the Church Alive!* Website's glossary (found under the ABOUT tab) for updates on new terminology being introduced in the *On Mission* process.

### Approaching our final opportunity to provide the diocese with feedback—June 1:

The following is being offered to you to collect feedback on our proposed grouping for the **parish**. Please remember that at this time we are not discussing the campus or the school, simply the parish (see definitions above). **Your feedback is critical to the success of this process!**

- A town hall meeting to answer the gathered questions and solicit feedback will be held on Sunday, May 21, following the noon Mass and on Tuesday, May 23, at 7:00 PM.
- An online survey will be made available via SurveyMonkey with hardcopies available at the Welcome Desk. <https://www.surveymonkey.com/r/onmissionresponsemaurice>. The survey can be accessed via our Website, Facebook page, or Twitter account.

This phase of the On Mission process is focused solely with the parishes of our diocese. A parish is a local (as a general rule territorial) Catholic community where people join together to worship, be educated in the faith, receive the sacraments and serve those in need.

The discussion of **specific** campuses, buildings, and worship sites is NOT part of the feedback being collected at this time.

East Catholic School is NOT part of this element of On Mission.

No final decision has been made by Bishop Zubik.

What is collected and shared about St. Maurice Parish is independent of East Catholic School, Inc. It is important to remember that East Catholic School is its own entity and its continued success, growth, and flourishing exists outside of the parish level of the On Mission process.

**GALA 2017 PROFIT \$51,000:** The Gala Committee members would like to express their sincere appreciation to all who contributed in any way to this year's Gala! We believe that coming together in the spirit of cooperation and fellowship will result in long-term benefits for East Catholic School. Special thanks to Word of God, Madonna del Castello, Good Shepherd, St. Colman, St. John Fisher, and St. Maurice parishioners, and to all of the school families for their support. We would also like to extend our thanks to all who attended for their support of the auctions and other exciting activities. It was a very successful event and thanks to all who helped in any way.

## RELIGIOUS EDUCATION NEWS

Next Sunday, the second collection will benefit the Religious Education Program at St. Maurice. We thank you in advance for your generous support of our Program.

Each year, the Diocese of Pittsburgh asks parishes to nominate outstanding high school juniors and seniors who exemplify their faith, are academic leaders and truly live their lives with a servant's heart for the Diocese's prestigious St. Timothy Award. Our Parish is blessed to have wonderful young people who live their faith and are models of their community and school. This year, St. Maurice nominated four extraordinary high school seniors for the St. Timothy Award. These nominees are active in our Parish in many ways including Youth Group, Aides in Religious Education, Music Ministry, Children's Liturgy of the Word, Service Committee, the Summer Festival, Altar Serving, and Lectors. They each have volunteered countless hours to our Parish over the course of their high school career and we are honored to have them as ministers at St. Maurice. Our nominees are: Ashley Azzarello, Tessa Douglas, Matthew Kostandinu and Olivia Sistik. Father Ken will recognize each of our nominees today at the 10:00 AM Baccalaureate Mass. Congratulations and blessings to all of our seniors. May you all continue to do God's work.
