

**St. Maurice Parish
Altar Server Schedule
June – July 2017**

*Many thanks for always checking in at the Welcome Desk when you are scheduled to serve. I also appreciate servers who check in to make sure the Masses are covered and if there are not enough servers, they fill in. This truly makes my heart glad!

*When only two servers are scheduled, the **servers will NOT proceed in with the candles. You will light the candles** at the altar and one of you will bring the Cross down, but the candles will stay on the altar.
